I really enjoyed "Selected Tales" by Edgar Allan Poe. All the stories were unique and interesting. None of the stories seem to be the same. The writing was really good and had good descriptions. I think one of the things Edgar Allan Poe did the best was fluency and thoughts/5. Edgar Allan Poe's Gothic tales have established themselves as classics of horror fiction, and as the inventor of the modern mystery, Poe created many of the conventions which still dominate the genre of detective fiction. "Edgar Allan Poe: Selected Poetry and Tales brilliantly represents the best scholarly material on Poe, delivered in an accessible, conversational tone that will appeal to students. The contents run the gamut from Poe's notorious and imaginative horror tales to his literary criticism. The contents of this Paperback Classic are drawn from Edgar Allan Poe: Poetry and Tales, volume number 19 in The Library of America series. It is joined in the series by a companion volume, number 20, Edgar Allan Poe: Essays and curlyshue.coms: 5.
