Howdy, New Readers! Thanks for reading Exiern! Written by Scott T. Hicken with art by Antipus, the comic updates Thursdays. Please check out the Archive to enjoy the earlier adventures of Typh and Peonie! Exiern contains mature themes and is best for readers 18+. Exiern is a fantasy webcomic about a reluctantly female barbarian. The plot, which began as a riff off of an early storyline of The Watch, is relatively . Story and plot. Our story begins in the world called Exiern, specifically the fortress known as Asylum. Once home of the gods but now is the fortress of the evil wizard Faden, who has kidnapped the heir to the throne of the Southern kingdom, Princess Peonie.

Exiern is a fantasy webcomic written by Drowemos (despite the obvious connections to dark elves and whiny teenagers, it's actually "some word" spelled backwards) and illustrated initially by Drowemos (), then by Studio Boom ( - ) and .
