In March of her newest book, *Inventing Herself: Claiming a Feminist Intellectual Heritage* was published, and it is also an examination of the personal and political realms of Feminism. In it, she illustrates the lives of some of her personal heroines, women who have lived from the 18th Century on and whom have contributed to women's curlyshue.coms: 4. I wish it wasn't Europe & US centric in scope, or at least that the title was reflective of this limited breadth when claiming to be about claiming a feminist intellectual heritage. The first 3/4 of the book is much better than the last 1/5.
