Manmade Breast Cancers. A new understanding of humanity and feminism from the starting point of breast health is the ultimate goal of Zillah Eisenstein's political memoir of her family's experience with breast cancer.

"Manmade Breast Cancers" opened my eyes and gave me a thorough education in both the biology and the genetics of breast cancer, and the role of the pharmaceutical-medical-industrial complex in establishing dominant thought patterns about the curlyshue.coms: 2. A new understanding of humanity and feminism from the starting point of breast health is the ultimate goal of Zillah Eisenstein's political memoir of her family's experience with breast cancer. The well-known feminist author argues that politics always needs the personal, and that the personal is /5. Breast cancer is a political site from which I uncover the silences used to construct women's bodies. I share pain and suffering not simply to authenticate this way of knowing, but to push elsewhere.
