Wishes For You is a collection of warm and generous thoughts for a child growing up. Expressing universal hopes for a young life -- such as joy and curiosity, creativity and strength -- this book will let all children know how much they are thought of and how deeply they are curlyshue.coms: Wishes for You. 88K likes. Woorden vanuit mijn hart, geschreven als tekst of gedicht Soms herkenbaar met een traan, soms voor een lach op je gezicht/5(). May you get all your desires and may you get success on every single step. I wish you the best of luck. Cherish your yesterdays, dream your tomorrows and live your todays. I wish you well in all things you do in your life. Best of luck. Please accept our well wishes as you move toward a new chapter in your life. Best wishes to you - is the more usual construction of the two. You can wish for something (using wish as a verb) or you can send a wish to someone (using wish as a noun).

Although there does seem to be some debate on the topic, most have come to agree that “best wishes to you” is actually the correct way to express this sentiment. Whether speaking American English or British English, this seems to be the case across the board.
