function more like a peer-to-peer computer network than a command-and-control hierarchy. Tom Thomson, Adjunct Professor, New York University Applying lessons learned from technology and social media, Mila Bakers Peer-to-Peer Leadership breaks new ground in presenting how peer-to-peer interactions can fundamentally change organizations. Peer to Peer Leadership: Why the Network is the Leader takes a fresh look at both leadership and the network organization, an organizational structure that has emerged over the last several years with the rise of global, social / relational, and technological curlyshue.com: 9. I just finished reading Mila Bakers Peer-to-Peer Leadership: Why the Network is the Leader, which adds to the growing case for more widespread network thinking, foregrounding of human relationships, and shifting traditional conceptions (and myths) of leadership in business and beyond. Bakers book echoes the spirits of Margaret Wheatley.

Journal of Applied Christian Leadership Volume 8 Number 1 Article 8 Peer to Peer Leadership: Why the Network is the Leader [review] / Baker, Mila N.

Peer-to-Peer Leadership: Why the Network is the Leader Mila N. Baker Berrett-Koehler Publishers pages \$ HD57 Over the past ten years, peer-to-peer (P2P) networking, along with social media and crowdsourcing technology, has risen to the top in computing strategy. Bakers paradigm-shattering insight into the nature of peer networking redefines the whole field of leadership studies by illustrating that modern leadership is a characteristic of groups that function more like a peer-to-peer computer network than a command-and-control hierarchy.
