In the colonial era, Americans insisted on their rights as Englishmen to have their own legislature raise all taxes. The British Parliament, however, asserted in that it held supreme authority to lay taxes, and a series of American protests began that led directly to the American Revolution. Digital History ID The year marks a watershed in modern world history. Columbus's voyage of discovery inaugurated a series of developments that would have vast consequences for both the Old World and the New. Colonial Period. Attempting to include all phases in the development of European colonies in the Americas, the Newberry has an abundance of primary source material documenting the British, French, Spanish and Portuguese colonies. In the early days of the colonial period, the settlers did not know how to live in the wilderness, and they faced many hardships. In Massachusetts, for example, the Plymouth settlers, spent most of their first winter (21) on board the Mayflower. The following winter, the Pilgrims lived on land but in wigwams and sailcloth tents.
