William Dean Howells () was an American realist author and literary critic. He wrote his first novel, Their Wedding Journey, in , but his literary reputation really took off with the realist novel A Modern Instance, published in , which describes the decay of a marriage/5. Aug 31, The book is Their Wedding Journey and the author is the forgotten American savant, William Dean Howells () Howells dominated American literature between the Civil War and the Great War. He was the man most responsible for what came to be known as Literary Realism, which was a reaction to the Romantics (including my favorite author Reviews: 2. They had agreed to make their wedding-journey in the simplest and quietest way, and as it did not take place at once after their marriage, but some weeks later, it had all the desired charm of privacy from the outset. A Note to the Text As copytext for this online edition of The Wedding Journey, we use the Riverside edition by Houghton Mifflin Company, as seen on the title page above. We have not modernized spelling or punctuation, but in some cases we have eliminated accents in foreign words for ease of display on all browsers.
